This certificate entitles you to receive a **\$200** instant rebate off of Moyer's Heating & Cooling's normal Home & Duct Performance Assessment fee. In return, you agree to allow the test data collected to be shared on an anonymous and confidential basis with the Comfort Institute in Washington to assist in the national research study.

*100% Satisfaction Guarantee on test process is provided by Member Contractor on balance of testing fee.

* Certificate must be presented at time of testing.

* Expiration: certificate may be voided at any time up to the scheduled test date if sufficient test results have been submitted to Comfort Institute and the data collection period is closed.

* May not be combined with other offers.

* No cash value.
